Periods of unemployment during the twenty-four (24)

The acceptance of transfer cards must be in accordance with the provisions of Article XVIII, Section 3 and 4. The jurisdiction to issue honorable withdrawal cards must be handled in strict compliance with Article XVIII, Sections 6 and 7 of the International Constitution.
- 2) When the Local Union is required to give to a member an honorable withdrawal card under the terms of the International Constitution and the Local Union's Bylaws, it may provide for the continuance of Local Union benefits to such inactive member under conditions which it may set forth, but such inactive member shall not be permitted to hold office or vote, and shall have only such right to participate in the meetings and the affairs of the Local Union as shall be uniformly permitted by the Local Union Executive Board.
- 3) A withdrawal card shall be issued to any member, including a Local Union officer, who has retired, except that a member, who continues to work at the craft, including employment with the International Union or any affiliate, shall be required to retain active membership.

- (D) Upon the approval of these Bylaws by the General President, supervisory employees and such other classifications as the Local Union Executive Board may lawfully determine, shall take no part on committees selected to negotiate wages and working conditions with employers, and shall not be permitted to vote on any such agreement or on any vote to strike or take other action with respect to the agreement to which they may be subject or parties. Supervisory employees shall not be permitted to hold office unless permitted by federal, state, local or provincial law.

(E) Responsibility of Members to the Local Union

- 1) Every member, by virtue of his membership in this Local Union, is obligated to abide by these Bylaws and the International Constitution with respect to his rights, duties, privileges and immunities conferred by them. Each member shall faithfully carry out such duties and obligations and shall not interfere with the rights of fellow members.
- 2) Every member, covered by a collective bargaining agreement at his place of employment Union, authorizes his Local Union to act as his exclusive bargaining representative with full and exclusive power to execute agreements with his employer governing terms and conditions of employment and to act for him and have final authority in presenting, processing, and adjusting any grievance, difficulty or dispute arising under any collective bargaining agreement or out of his employment with such employer in such manner as the Local Union or its officers deem to be in the best interests of the Local Union, all subject to Article XII and other applicable provisions of the International Constitution relating to such matters. The Local Union and its officers, business representatives and agents may decline to process any grievance, complaint, difficulty or dispute if in their reasonable judgement such grievance, complaint, or dispute lacks merit. The provisions of Article XII, Section 2, relating to area, multi-area, national, company-side or industry-wide contracts, shall supersede any provision of this Section.
- 3) No member shall interfere with the elected officers or business agents of this organization in the performance of their duties, and each member shall, when requested, render such assistance and support in the performance of such duties and may be required by them, providing that this does not interfere with the individual rights of members. Each member and officer shall adhere to the terms and conditions of pertinent collective bargaining

- agreements and shall refrain from any conduct that would interfere with the performance by this Local Union of its legal or contractual obligation.
- 4) No member shall engage in dual unionism or espouse dual unionism or disaffiliation or be a party to any activity to secure the disestablishment of the Local Union as the collective bargaining agent for any employee.
 - 5) No member shall be permitted at any Union meeting or assembly to engage in any of the conduct herein before described.
 - 6) Every member shall follow the rules of order at all meetings of the Local Union.
 - 7) Membership in this Local Union shall not vest any member thereof with the right title or interest in or to the funds, property or other assets belonging to the Local Union now or hereafter and no member shall have a property right to membership in this organization.
 - 8) No member seeking to resign from membership in the Local Union may do so except by submitting such resignation in writing to the Secretary-Treasurer of the Local Union. Any member who resigns before he has paid all dues, assessments, fines and other financial obligations owing to any subordinate body shall be obligated to pay such obligations to his Local Union. All members acknowledge that any obligations owing at the time of resignation shall be collectible by the Local Union in any appropriate forum. This shall not relieve any member of any obligation to comply with any other provision of this Constitution regarding acquisition or maintenance of membership in good standing.

(D) Rights of Members

No provision of these Bylaws, rules or parliamentary procedure or action by the Local Union or its officers shall be administered in such a way as to deprive individual members of their rights under applicable law and the following membership rights:

- 1) The right to nominate candidates or vote in elections or referendums of the Union;
- 2) The right to attend membership meetings, and to participate in the deliberations and voting upon the business of such meetings;
- 3) The right to meet and assemble freely with other members and to express any views, arguments, or opinions, and to express at meetings views upon candidates in an election of the Union or upon any business properly before the meeting, subject to the Local Union's established and reasonable rules;

- 4) The right to information concerning the conduct of Local Union business
- 5) The right to institute an action in any court or in a proceeding before any administrative agency, irrespective of whether the Local Union or its officers are defendants in the action or to appear as a witness in a judicial, administrative or legislative proceeding, or to petition any legislator, subject to the exhaustion of intra-union remedies as required by the International Constitution and applicable law.
- 6) For the purpose of Section 20(F) only, the term "meeting" includes any public meeting to which members of the Local Union are invited.
- 7) All the rights of members set forth in Section 20(F) shall be subject to reasonable application and subject to the right of the Local Union to impose reasonable limitations upon the exercise of these rights by the members.

SECTION 21

CHARGES AND TRIALS

- (A) Each member of this Union shall have the right to fair treatment in the application of union rules and law in accordance with the International Constitution and these Bylaws. In applying the rules and procedures relating to Union discipline, the essential requirements of due process of law (notice, hearing and judgement based upon the evidence) shall be observed without, however, requiring the technical formality followed in court of law. Recognizing that these requirements of fairness and due process of law will be administered by groups of laboring men and women, this Local Union adopts the following procedures which supplement the requirement of Article XIX of the International Constitution. The following procedural guides are designed to attain justice both to the individual member and the Local Union, and in instances where deviations from such procedures are not such as to substantially affect the members' substantive right; these procedures are not to constitute technically precise requirements of strict pleading of courts of law.
- (B) **Trials and Appeals**
- 1) Trial. Every member charged with violation of these Bylaws, or the International Constitution shall be accorded a full and fair hearing as required by law. No member of the Local Union Executive Board involved in the subject matter of the charge shall sit on the trial board. The decision

on disqualification under this provision, if raised by an interested party, shall be made in the first instance by majority vote of the Local Union Executive Board, whose decision shall be appealable as part of the case, in accordance with the appeal procedure of the International Constitution and these Bylaws. The officer alleged to be involved shall not vote on whether he is qualified to remain the hearing panel. If the member charged or preferring the charges is a member of the Local Union Executive Board, or if a member of the Local Union Executive Board is unable to attend the hearing for any reason, then the principal executive officer of the Local Union shall appoint an uninvolved member as a substitute. If either the President or Secretary-Treasurer of the Local Union is charged or is preferring the charges, or is unable to attend the hearing, the other officer shall appoint the substitute. If both the President and Secretary-Treasurer of the Local are charged or are preferring the charges, or for any reason are unable to attend the hearing, the remaining members of the Local Union Executive Board shall appoint the substitutes. Charges by, against or involving a majority of the members of a Local Union Executive Board shall be filed with the Secretary-Treasurer of the Joint Council of Teamsters for trial by the Joint Council Executive Board. In no event shall any involved officer or member serve on a hearing panel, participate in the selection of a substitute member of a hearing panel, or participate in the decision-making process of the trial body.

Whenever the words "Joint Council" appear in other sections of these Bylaws, they shall mean Joint Council 75 in all matters relating to disputes and appeals.

2) Charges

Charges shall be in writing and signed by those filing the charges and must be filed in duplicate with the Local Union Secretary-Treasurer of the body which is to hear the charges, who shall serve the charges and notice of the hearing upon the accused either in person or by registered or certified mail at least ten (10) days prior to the hearing. No hearing on any appeal shall be held less than ten (10) days from the date on which notice of the hearing has been served on the parties unless all parties agree to waive this requirement. In scheduling the time and place of the hearing, due consideration shall be given to the convenience of the accused and witnesses necessary in the case. The charges must set forth the provisions of the International Constitution or these Bylaws allegedly violated and the acts which allegedly constitute such violation in sufficient detail to inform

the accused of the offense charges, including, where possible, dates and places. If charges are filed, the charging party must include in the charges all alleged offenses of which he has knowledge or in the exercise of due diligence should have knowledge, as of the time of the filing of the charges. He may not subsequently file additional charges based upon facts of which he had knowledge, or in the exercise of due diligence should have had knowledge, as of the time of the filing of the charges. Any charges based upon alleged misconduct which occurred more than five years before the discovery of the conduct giving rise is barred and shall be rejected by the Secretary-Treasurer except charges based upon the non-payment of dues, assessments and other financial obligations. No member or officer shall be required to stand trial on charges involving the same set of facts as to which he is facing criminal or civil trial until his final court appeal has been concluded. Nor shall a member or officer be required to stand trial on charges that are substantially the same as arise under the same circumstances as prior internal Union charges against such member or officer, provided that a decision was rendered on those prior charges. Charges may be preferred against a suspended member or an inactive member who has been issued a withdrawal card.

- 3) In the event of non-compliance with the decision handed down by a trial or appellate body, the member, officer or Local Union shall stand suspended from rights and privileges under the International Constitution until the provisions of the decision have been complied with, unless the General President has waived payment of a fine or stayed the effectiveness of the decision pending appeal. If, however, the decision carries with it an order of expulsion, then such order of expulsion shall immediately take effect, unless the General President has stayed the effectiveness of the decision pending appeal.
- 4) Rights of the Accused. Throughout the proceedings, there shall be a presumption of innocence in favor of the accused. In order to be sustained, the charges must be supported by a preponderance of reliable evidence and a majority of the members of the panel must vote to find the charged party guilty. The accused shall have the right to present his own evidence, rebut testimony against him, present witnesses favorable to him and cross-examine adverse witnesses. The charging party, the accused and the Local Union Executive Board may select only a member in good standing of the Local Union to represent them at a hearing conducted before any trial or appellate body. Witnesses need not be members of the Union. The

hearings shall be open to other members, subject to the discretion of the Local Union Executive Board in maintaining order and in excluding witnesses except when testifying.

- 5) Action by the Local Union Executive Board. The Local Union Executive Board shall have the authority to determine the manner of reporting the hearings and shall have the authority to exclude any method not authorized by it. Any request by a party that a verbatim record be made must be received by the Executive Board not later than five (5) business days prior to the scheduled commencement of the hearing and shall be honored by the Executive Board. If the Local Union Executive Board decides to have a transcript or recording of the hearing made, the Local Union Executive Board shall furnish a copy of that transcript or recording to the accused and to other interested parties upon payment of the cost for same, or shall make such copy available to any interested party for copying or consultation without cost.

Within a reasonable time after completion of the hearing, the Local Union Executive Board shall decide the case. The decision of the Local Union Executive Board shall be in writing and contain the charges, its own factual findings and decision, a notice to the parties informing them of the proper body to which they may appeal and the time within which the appeal must be filed. A copy of the decision of the Local Union Executive Board must be forwarded to the parties without delay. A copy of all documents in the proceedings shall be kept available at the Local Union's principal office until final disposition is made of these charges.

- 6) Appeals. Appeals shall be taken pursuant to the provisions of Article XIX of the International Constitution.

SECTION 22

BONDING

- A) Every officer, agent, employee, or other representative of this Local Union or shop steward who handles funds or other property of this organization shall be bonded in accordance with the requirements of the International Constitution and applicable statute. The amount of bond required of each person shall be ascertained by the Local Union Executive Board, and the premium charges shall be paid out of the general funds of the Local Union.

- B)** If the Local Union Executive Board, in its sole judgment, believes that it would be to the advantage of this organization to join with the International and/or any or all of its subordinate bodies or affiliated Local Unions in obtaining a bond or bonds covering persons in this Local Union and such other organizations under a bond or bonds issued to said International Union or other subordinate body, then, in such event the Local Union Executive Board is authorized and empowered to enter into such arrangements and pay from the general funds of this Local Union the cost for bonding these persons in this Local Union, but such surety coverage shall conform to the requirements set forth in Section 22(A).
- C)** Should the bond of any person required to be bonded be canceled after surety coverage has been afforded, then such person shall be allowed thirty (30) days within which to arrange either for reinstatement of his/her coverage or the substitution of another bond meeting the requirements of Section 22(A) to take the place of the cancelled bond. However, during the period such person or a new officer is not covered by such surety bond, the Local Union Executive Board shall make whatever arrangements shall be necessary to relieve such person of the handling of any money or property of the Local Union.
- D)** If an employee or officer referred to in Section 22(C) cannot within thirty (30) days provide the surety bond required in conformity with the provisions of Section 22(A), the Local Union Executive Board shall be authorized and empowered to permit him to remain in his office or position under such arrangement as it may consider reasonable, but shall not require or permit him to handle any of the money or control any of the property of the Local Union.

SECTION 23

RULES OF ORDER

Rule 1- The regular order of business may be suspended by a vote of the meeting at any time.

Rule 2- The Chairman of the meeting shall enforce these rules and regulations and may direct that members be removed from the meeting for violation of these rules.

Rule 3- Any conversation by whispering or otherwise, or any other activity which is calculated to disturb or may have the effect of disturbing a member while speaking or disturb the conduct of the meeting or hinder the transaction of business, shall be deemed a violation of order.

Rule 12- When an appeal is made from the decision of the Chair, said appeal shall be stated by the Chairman to the meeting in these words: “Shall the decision of the Chair be sustained as the decision of this meeting?” The member taking the appeal will have the right to state the grounds of appeal, and the Chair will give his reasons for the decision. Thereupon, the members will proceed to vote on the appeal without further debate, and it shall require a majority vote to overrule the Chair.

Rule 13- No member shall speak more than once on the same question until all members wishing to speak have had an opportunity to do so, nor more than twice without the permission of the Chair, nor more than ten (10) minutes at one (1) time.

Rule 14- In presenting a motion, a brief statement of its object may be made, but no discussion of its merits shall be admitted until the question is stated by the Chair.

Rule 15- Any member may call for a division of a question when the subject or sense admits thereof.

Rule 16- All votes other than amendments to these Bylaws or Rules of Order may be reconsidered at the same or next succeeding meeting upon a motion made and seconded by two (2) members who voted in the majority, provided a majority of the membership present and voting agrees thereto; but after a motion to reconsider has once been lost, it shall not be renewed.

Rule 17- The following motions shall have precedence in the following order: first, to adjourn; second, to close debate; third, to take up the previous question; fourth, to lay on the table; fifth, to postpone indefinitely; sixth, to postpone to a definite time; seventh, to refer; eighth, to amend. The first four shall be decided without a debate.

Rule 18- When a question is postponed indefinitely, it shall not come up again, except upon a majority vote of the members present and voting.

Rule 19- The motion to close debate may be made by two (2) members, and shall be put in this form: "Shall the debate now close?" If adopted, the President shall proceed to take up the question before the membership, according to priority, without further debate.

Rule 20- The call for the previous question on the original motion may be made by six (6) members and shall be put in this form: "Shall the main question be now put?" If adopted, the effect shall be to take up the question on the original motion to the exclusion of all debate and all amendments which have not been adopted.

Rule 21- If proper motion to amend has been made, the question on the amendment shall be put first; if more than one amendment has been offered, the question shall then be put as follows: (1) amendment to the amendment; (2) amendment; (3) original proposition.

Rule 22- A motion to adjourn shall always be in order except: (1) when a member has the floor; (2) when members are voting; (3) when a motion is pending.

Rule 24- The Chair shall state every question coming before the Local Union before permitting the opening of debate thereon. Immediately before putting it to a vote, he shall ask: "Is the Local Union ready for the question?" Should no member rise to speak on the question, or if a majority shall vote to close discussion, the Chair shall

put the question. After he has risen, no member shall be permitted to speak further upon it.

Rule 25- When the presiding Chairman has commenced taking the vote, no further debate or remarks shall be allowed, unless a mistake has been made, in which case the mistake shall be rectified and the presiding Chairman shall recommence taking the vote.

Rule 28- All rulings of the presiding officer on procedure which are not challenged during the meeting become final and unappealable upon adjournment of the meeting.

SECTION 24

STANDING COMMITTEES

The standing Committees of this Local Union may include Committees on Bylaws, Political Action and Legislation, Finance and Organization, Application, Unemployment, Grievance and Benefits, and such committees shall perform such duties and functions as shall be assigned to them from time to time by the Local Union Executive Board.

SECTION 25

INTERNATIONAL CONSTITUTION

The Local Union acknowledges that the Constitution of the International Brotherhood of Teamsters supersedes any provision of these Bylaws herewith or hereinafter adopted which may be inconsistent with such Constitution. The Local Union hereby re-adopts as its Constitution, such International Constitution, and incorporates herein by reference, as though fully set forth herein, all such provisions of such Constitution, as it may be interpreted, modified, or amended from time to time, which are applicable to Local Union matters and affairs, and shall perform all the duties imposed upon a Local Union by such Constitution.

These Bylaws are subject to the Constitution and Bylaws of the International Brotherhood of Teamsters and applicable Conference and Joint Council Bylaws.

Neither this Local Union, nor any of its officers, business representatives or employees, has the power to make any contract or agreement or to incur any liability which shall be binding upon the International Union or any of its affiliates other than this Local Union or any of its affiliates other than this Local Union unless the written consent of the governing body or executive officer thereof has first been obtained authorizing such action. Neither this Local Union nor any of its officers, representatives, or employees has been authorized or empowered to act as an agent of the International Union or any of its affiliated bodies and shall not be deemed an agent for any such body unless expressly authorized in writing by the governing body of such body to act in that capacity. No agreement or contract shall be binding upon this Local Union unless executed and delivered by its duly authorized officers and a contract or agreement for personal services shall not be binding beyond the expiration of the term of the Executive Board at the time such contract or agreement is made. This shall not prevent a Local Union Executive Board from entering into a bona fide collective bargaining agreement with another union covering Local Union employees, subject to the requirements of Article XXII, Section 2(b) of the International Constitution.

SECTION 26

LOCAL UNION PROPERTY

No property of the Local Union, and no property in the possession, custody or control of this Local Union or any of its officers, representatives or employees and no property held in trust by any Trustee for and in behalf of this Local Union, express or implied, which was created or established by this Local Union itself, or the members of the Local Union or their beneficiaries, shall be given, contributed, donated or appropriated, either directly or indirectly, to aid or assist or be expended in behalf of any seceding, dual or antagonistic labor organization or group, nor to any Local Union which is acting in violation of the Constitution of the International.

SECTION 27

NEGOTIATIONS, RATIFICATION OF AGREEMENTS,

STRIKES AND LOCKOUTS

- (A) Whenever a collective bargaining agreement is about to be negotiated, modified or extended at the request of this Local Union, the principal officer shall call a meeting at which the membership shall determine and authorize the bargaining demands to be made. The Local Union Executive Board may determine whether such meeting shall be limited to the members in a particular division, craft or place of employment. Where this Local Union is a participant in an area-wide agreement, it is understood that the bargaining demands of this Local Union may be accepted, modified or rejected by the overall negotiating committee in accordance with such rules and procedures as may be adopted by the area-wide, conference-wide or national bargaining group.
- (B) The Secretary-Treasurer shall submit to Joint Council two (2) copies of all proposed collective bargaining agreements with a company in an industry in which there is an area standard established by pre-existing agreements or amendments thereto, or where otherwise directed to do so by the Joint Council, for approval before submission to the employer. If no Joint Council exists, such proposals shall be submitted to the State Conference for its approval. In those cases where the proposed agreements is for operations which are already subject to an area-wide agreement, or a prospective area-wide agreement is already planned, the proposed agreement shall be submitted to the Director of the appropriate Trade Conference or Division for approval before submission to the employer.
- (C) Ratification of agreement or amendments shall be subject to vote in the same manner as provided for in connection with bargaining demands as set forth in Section 27 (A), or in the case of area-wide, conference-wide or national agreements in accordance with the Constitution and rules adopted by such bargaining group, except that where the General Executive Board has directed the Local Union to refrain from executing such agreement, no proposed agreement shall be considered ratified by any vote until and unless it is specifically approved by the General Executive Board. Where a final contract proposal has been reduced to writing at the time it is to be submitted for vote, copies of the written proposal shall be made available to the affected membership. True copies of final agreements arrived at by the Local Union shall be filed by the Secretary-Treasurer with the Economic and Contracts Department of the International Union and of the Area Conference within sixty (60) days after execution, together with a list of the names and locations of employers and number of employees covered by such

agreements. The Secretary-Treasurer shall, as of January first of each year, submit to the Economic and Contracts Department of the International Union and the Area Conference, a list of agreements in effect, showing the name of the employer or employers, parties thereto, location or locations, and the expiration date.

- (D) If a settlement cannot be reached in connection with the negotiation or modification of a collective bargaining agreement between the members of this Local Union and an employer after the officers have used reasonable means of achieving a settlement through the processes of collective bargaining, the matter shall be subject to the strike procedure, conditions and qualifications set forth in the Constitution. The Local Union Executive Board may, at its discretion, provide that the strike vote be limited to the members employed in a particular division, craft or place of employment. In such cases where area-wide, conference-wide or national agreements are involved, it is understood that the specified majorities of the members covered by such agreements must vote to strike as set forth in Article XII, Sections 1 or 2 of the Constitution, and in such event, such strike vote shall apply to this Local Union, irrespective of the individual vote of this Local Union on that question.
- (E) Strike votes shall not be required in any case where a collective bargaining agreement then in existence authorizes such strike for the purpose of enforcing the terms of such agreement. Nor shall a strike vote be required for a strike in support of demands that an employer agrees to the terms and conditions of an agreement already negotiated and approved on a state, multi-state, multi-area, multi-employer or national, company-wide or area basis of which unit such employer is a member. In either case, the Local Union Executive Board, subject to the approval of the General President, may call the strike in support of its position, and may also, with the approval of the General President, terminate such strike without vote.
- (F) At least forty-eight (48) hours prior to a strike, and in the case of picketing, lawsuit or other serious difficulty, the Secretary-Treasurer shall immediately notify the Joint Council of Teamsters of any contemplated action, as required by the Constitution.
- (G) Out-of-work benefits shall be payable to members only as provided by and in accordance with the Constitution. The Secretary-Treasurer shall be responsible for securing of such benefits where the Local Union is eligible to receive them, executing all documents required by the International and returning all monies to the International Union remaining unused by the Local Union at the close of the strike or lockout.

- (H) Strikes which are not terminated by the conclusion of a collective bargaining agreement or by arbitration or otherwise may be terminated in such manner as the Local Union Executive Board shall determine appropriate.

SECTION 28 SAVING CLAUSES

- (A) The provisions of this Constitution relating to the payment of dues, assessments, fines or penalties, etc., shall not be construed as incorporating into any union-security contract those requirements for good standing membership which may be in violation of applicable law, nor shall they be construed as requiring any employer to violate any applicable law. However, all such financial obligations imposed by or under the Constitution and Local Union Bylaws (and in conformity therewith) shall be legal obligations of the members upon whom imposed and enforceable in a court of law.

The General Executive Board of the International Union is authorized to adopt any plan or arrangement relating to such requirements and obligations which may be imposed by applicable law.

- (B) If any provision of these Bylaws shall be declared invalid or inoperative by any competent authority of the executive, judicial, or administrative branch of federal or state government, the Local Union Executive Board shall have the authority to suspend the operation of such provision during the period of its invalidity and to substitute in its place and stead a provision which will meet the objections to its validity and which will be in accord with the intent and purpose of the invalid provision. If any section or subsection of these Bylaws should be held invalid by operation of law or by any tribunal of competent jurisdiction, the remainder of these Bylaws or the application of such section or subsection to persons or circumstances other than those to which it has been held invalid shall not be affected thereby.
- (C) Where used in these Bylaws, words in the masculine also shall be read and construed as in the feminine in all cases where such construction would so apply.

SECTION 29 AMENDMENTS

- (A) Proposed amendments to the Bylaws shall be submitted in writing at a regular meeting of the Local Union only in January of each year upon initiation either by petition of seven (7) members in good standing, or by resolution of the Local Union Executive Board. Under no circumstances may these Bylaws be amended during a term of office to affect or modify the powers and duties of the incumbent officers. Such amendments may be made effective only as of the beginning of the next term of office.
- (B) The proposed amendments shall then be read at two (2) consecutive regular meetings of the membership or at two (2) consecutive division, craft, or place of employment or similar meetings (if the Local Union Executive Board has determined that membership meetings be conducted on such basis) and voted upon at the third meeting or meetings. A simple majority vote (50% plus 1) of the members in good standing voting at such meeting shall be required for passage.
- (C) Amendments to these Bylaws are subject to approval of the General President as provided in Article VI, Section 4 of the International Constitution and shall not be effective until such approval has been given.
- (D) Nothing contained in Section 29 of these Bylaws shall preclude the Local Union Executive Board in the exercise of its discretion, from directing that a membership vote be conducted by mail referendum after appropriate notice and with safeguards to ensure the integrity of the balloting.

I will at all times bear true and faithful allegiance to the International Brotherhood of Teamsters and this Local Union.
